

Link to us

Support us by linking to Joomla! Developer Resources, thanks a lot!

We're trying to collect all the information a developer could need when developing add-ons for Joomla. Please support us by linking us to your site.

You are more than wellcome to send us a link of your site. You can use Link Exchange or your can e-mail us at webmaster@joomla-developer-resources.com.

You can link to us using following code:

Text link

```
<a href="http://www.joomla-developer-resources.com" target="_blank" title="Joomla! Developer Resources">Joomla!  
Developer Resources</a>
```

Example: Joomla! Developer Resources

Graphical link

```
<a href="http://www.joomla-developer-resources.com" target="_blank"></a>
```

Example:

Thank you very much for your support!
